

About Us

We are a Canadian incorporated company providing brokerage services in agriculture, fisheries, mineral commodities and related services.

We also aim to increase import-export between Canada and Africa, partnerships, business development and opportunities.

Our clients benefit from these other services:

- * investments of values
- * real estate
- * market research and strategies
- * provide international high qualified manpower
- * consultancy in import-export.
- * AI secure chain of supply with our subsidiary company ZINZA MINERALS SOLUTIONS (zinzamineralssolutions.ca)

A team of professionals from Canada and Africa offering a large international network.
